# COVID-19 ALERT

Dear Delegate,

Greetings from **The Institute of Business Executives!**

We look forward to hosting you at this historic event. All sectors worldwide, including education, have been devastated by the impacts of the COVID-19 pandemic. As we approach the new normal in the post-COVID-19 era, there is a need to consider education anew in the light of emerging opportunities and challenges. Thus, this summit attempts to **rethink education in the new normal post-COVID-19 era from a curriculum innovation perspective.**

So, **how do you sustain quality learning outcomes in this stay home economy and remote learning?** And what curriculum optimisation and innovation strategies can you implement now to suit the modern student in a whole new world of **online and virtual learning?**

We should never lose sight of where we are in terms of 4iR. The world of work and technology is changing faster than we can blink. It has been said that by the time a student graduates, their new Degree will be worthless. Learning institutions must come up with strategies to improve academic programmes to **make the student work-ready.** This Summit aims to **bridge the gap between the qualification and the world of work, through world-class curriculum innovation strategies.**

We know that people are concerned about Corona Virus (COVID-19). We are, however, quite encouraged by the vaccination efforts around the world and the progress the South African Government is making in this regard.

At this stage, we are planning this event as a physical event but if it becomes clear that this is not possible, we will move it online like we did most of our events in the last year and a half. We have all the infrastructure required to host it online.

Please note that we are on high alert and rest assured that the safety and well-being of our conference attendees and staff remains a top priority for us.

We are constantly monitoring developments and keeping up with updates from The Department of Health and The Department of Higher Education. We have chosen a world-class venue that is taking this pandemic seriously.

Please check venue protocols here: <https://thebayhotel.com/covid-19-precautions/>

We look forward to seeing you all and please let us know if you have questions regarding this event and we'll surely accommodate your queries.

Yours Sincerely

**The Institute of Business Executives Team**
